

# WINE

## Roster Vol. 4

Our wine roster boasts with a selection of exceptional wines. We have uplifting sparkling wines, Burgundy classics, natural wines as well as those safe bets with excellent value for money. In order to ease the selection we grouped our wines into a few categories.

In Roster you can order a glass of wine, half a carafe, a carafe or a full bottle. This model makes it possible to try a variety of wines without having to order the whole bottle. Prices we keep reasonable with our non-progressive pricing model. By providing super good wines with great prices we differ from the mainstream. In fact, we want to do our part in changing the Finnish wine culture.

# OUR WINE GUYS

Paul – The BOSS

Deniz – Assistant Sommelier

Olli – Head Sommelier

# Rare & Limited

Classics, rare wines, allocations, everything that we have received only limited amounts. You can find some wines from our cellar, that you can't find anywhere else in Finland!

# Big Boys

Size does matter. That's why we wanted to get as many big bottles as possible on our list. All wine bottle sizes have their own, special name. Interestingly, you will note that several names were inspired by Biblical characters. In addition to the cool names, the size will also impress your fellow diners!

## ROSTER WINE

Our own wine is a unique collaboration between Roster Helsinki and German winemaker Friedrich Becker. The red is a finely constructed blend of Cabernet Sauvignon, Portugieser and Merlot grape varieties. The white is made from Grauburgunder grapes fermented in stainless steel tanks.

# Soul Shiners

These sparkling wines will make you shine. Traditionally sparkling wines are opened when there is a reason to celebrate. We think that every single day is a gift, so why not to celebrate right now. Santé!

# Sense Of Place

This section is dedicated to wines from unique growing regions around the world. These wines reveal their place of origin. They are born out of passion and dedication to produce wines that reflect their sense of place. Pick a wine, have a sip of it and you'll be taken to the location where the wine is made.

Bon Voyage!

# All Natural

What you get in the bottle is what nature intended for you to have. These wines are grown the natural way and made without any hi-tech equipment. We have chosen a great selection of natural wines ranging from well-known producers to smaller vigneronns that all have one thing in common: they love to make excellent wines and they take life as it comes.
