**Our wine roster boasts with a selection of exceptional wines. We have uplifting sparkling wines, Burgundy classics, natural wines as well as those safe bets with excellent value for money. In order to ease the selection we grouped our wines into a few categories.**

**In Roster you can order a glass of wine, half a carafe, a carafe or a full bottle. This model makes it possible to try a variety of wines without having to order the whole bottle. Prices we keep reasonable with our non-progressive pricing model. By providing super good wines with great prices we differ from the mainstream. In fact, we want to do our part in changing the Finnish wine culture.**

#### ROSTER WINE

Our own wine is a unique collaboration between Roster Helsinki and German winemaker Friedrich Becker. The red is a finely constructed blend of Cabernet Sauvignon, Portugieser and Merlot grape varieties. The white is made from Grauburgunder grapes fermented in stainless steel tanks.
